

How to reach us... by **CAR**

From Venice

Go through A4 highway Milan direction, take the exit Brescia Centro and then take Statale 11 until the interchange "Rodengo - Pisogne". Drive on Statale 510 and take the exit Pisogne - Costa Volpino direction Lovere. Once you are in Costa Volpino, at about 300 meters after a petrol station you will find Lovere road sign which is before a bend. After the bend, on the right you will find a small downhill slope. That is the entrance of our garage, you have to approach the gate and it will open automatically. Once you parked your car, you can reach the reception on the first floor using the lift you will find following the hotel logo signs in the garage and choosing the fire door with the sign reception on it.

Welcome!

From Milan

Go through A4 highway exit Seriate. Follow the signs for Lovere and drive along the Statale 42. Take Lovere exit, at the end of a downhill road follow the lakefront, the hotel is on your left 100 meters after "Shell" petrol station.

Once you see the building, always on the left and before a small bend you will find a blue P and a small downhill slope. That is the entrance of our garage, approach the gate and it will open automatically. Once you parked your car, you can reach our reception on first floor by using the lift you will find following the hotel logo and choosing the fire door with the sign reception on it.

Welcome!

Useful information

We remind for those who are coming from abroad that Italian highways are regulated by a toll which has to be paid at the selected route at the toll-booths.

GPS coordinates

If you use a GPS system to reach the hotel as destination you can digit our address via Marconi 97 or as coordinates:

longitude=" 10.08191" latitude=" 45.82175".
